APOLLODORUS : of Damascus; architect

AD 100

---

Population of Rome was around  
1 million.

Population of all of people  
controlled by Rome about  
this time was about  
66 Million

By AD 100

DURANT

Family limitations practiced by the <sup>Rome</sup> educated classes, now had seeped down to the agricultural classes.

By 3rd century it was lowering man power in Gaul. Though branded as a crime infanticide flourished as poverty grew.

Patristic Period in Church History  
Development of diocesan episcopate;  
formation of New Testament  
Canon; Christianity still a  
persecuted minority religion;  
heresies arising from infiltration  
of Greek, Oriental, and Jewish  
thought, and orthodox resistance;  
first appearance of asceticism with

hermit monks, expanding north Africa,  
Lebanon, and Spain.

Goths

Guttna broke away from the LUGIAN-Vandal community and expanded their territory east of the VISTULA.

The GUTTONES were at that time also subject to King MARBOD of the MARCOMANNI. The Guttnes settlements were on fringe of Marcomanni influence

101-102

First Decade Wed

101-102 AD

1912 Dates J-BK

First war against the Dacians (101-102)  
caused by Trajan's refusal to  
pay the tribute promised by  
Domitian.

Trajan captured fortress  
of the king DECEBALUS, forcing  
him to conclude peace and  
cede a part of his territory

<sup>early</sup>  
AD 101

Trajan left Rome. leading his troops  
across the Danube, he struck north  
into the heart of Dacian territory, defeating  
the Dacian army near Tapae.

101-102

---

First Ocean War

101-102

North of the Danube, the kingdom  
of Dacia was conquered in  
2 major wars

end 101/102

During the following winter, Decabalus attempted a counter-attack across the Danube further downstream, but this was repulsed

101-106 AD

---

DACIAN WAR

Country beyond the Danube  
was conquered

LEADERS: TRAJAN ; DECEBALUS
